Liturgists and Greeters

Please arrive at 9:30 so that Dr. Hogg knows you are here. Liturgists usually read the first scripture but check with Dr. Hogg to verify. Bulletins are available by Thursday afternoon (in the cabinet by the choir room) for review of Call to Worship, Prayer of Confession and scripture. Sheri can send this by email if you prefer and let her know. If you use a Bible translation other than that in the pew bibles, please tell the congregation before you read.

Greeter pins are by the guest register on the podium in the Narthex. Greeters should be at the main doors at 9:30 to welcome congregants as they arrive. Please direct new comers to the guest register.

If you find that you are unable to serve on your appointed date, please try to find a replacement and notify both Sheri (817.292.1155) and the Worship Committee of the change.
