

Session Notes from the 1/22/2024 Stated Session Meeting:

- WPC made \$21,130.71 in charitable donations in 2023.
- Thanks to all of the Christmas elves who helped setup and take down the wonderful seasonal decorations found through out the church. They were a great addition to that festive season.
- In an effort to ensure the safety of our congregation and building, B&G contracted with a local fence company to install a wrought iron gate at the entrance of our courtyard area. This a gate that remains locked and has an emergency release bar on the inside of the gate.
- Prayer Bears collection for Cook Children's Hospital is scheduled for February 11, 2024.
- Last year we collected 110 bears. We would like to beat last year's total this year.
- One Great Hour of Sharing is scheduled for March 31, 2024. The money collected will be donated to PCUSA, which benefits the Presbyterian Disaster Fund, Presbyterian Hunger Program, and Self-Development of People.
- Pennies for Epiphany: Thank you to everyone for your generosity. We collected a total of \$750.36.
- Dinner club sign-up sheet is available in the Narthex. Please sign up as soon as you can. See Mark Justice if you have questions.
- From Finance: Following another year in which God has provided us with the financial means to carry on, we express our gratitude to the congregation for their financial faithfulness and generosity.
- A Congregational meeting will be held in the WPC sanctuary on February 11, 2024 following the morning worship service. Items to be covered in the meeting:
 - ◇ Review of Pastor Terms of Call
 - ◇ Review of Team Annual Reports
 - ◇ Election of members to the Nominating Committee
